

CHALLENGER BASEBALL REGISTRATION NOW OPEN!

Open to All Boys and Girls with Physical and/or Mental Challenges

The Challenger division is a fun and exciting division of play that provides boys and girls with mental and physical challenges the opportunity to play baseball! The program is designed to accommodate players aged 5 to 18, or any player still enrolled in high school. In addition to learning the game of baseball, the value of the Little League Challenger Division is found in the proven therapeutic and socialization benefits of participating in sports, the strengthening of participants' self-esteem, and the disciplines of teamwork, sportsmanship and fair play. To find more information about this amazing program, please visit www.LittleLeagueChallenger.org.

Everyone is welcome, and we will be setting up our teams based upon needs and abilities, rather than age. The Challenger division is supported by the "Buddy System," where Little League volunteers, including other Little League players, will assist our Challenger players during games.

Challenger games will be held on the Moreland Little League Complex and/or on other local Little League opponent fields. Opponents are other Challenger Division teams in local Little League programs.
