### **What is the CAC?**

The Community Advisory Committee (CAC) is a group of parents and educators interested in helping children who have special educational needs. Our CAC represents eleven school districts in Santa Clara County. We meet several times during each school year to work with school district staff and administration to promote our children's needs and educate parents in our districts.

### **What's in it for me?**

The CAC is where parents like you come together to:

- Meet other parents who face challenges similar to yours
- Provide input to special education directors and school superintendents
- Exchange information and share "tribal knowledge"
- Help set priorities for workshop topics and other resources
