

The SELPA3 Community Advisory Committee Presents:

Transitions

Breakout groups led by experts will discuss the major transitions faced by our kids:

Early Intervention to Kindergarten

Elementary to Middle School

Middle School to High School

High School to College or Vocation

Medical Transitions

Parents are welcome to roam between groups and ask questions such as: What are the biggest changes that my child will face when making this transition? What should I do as a parent to prepare for this transition? How do I know my child is ready to make this transition? What support can I expect to receive to make the transition smoother?
